The Grassroots Soccer Media Union has unveiled its third weekly Top 25 poll. This week is the start of a new schedule as polling weeks will run Tuesday-Monday with new polls coming out every Tuesday at noon. Once again, the New York Cosmos (NPSL) are the #1 ranked team in the nation. They got the spot in the rankings in the first ever poll and have not relinquished it since. This was also the first unanimous #1 selection. Yet again, the Top 25 is dominated by the NPSL, who secured seven of the top ten and sixteen of the Top 25. Five teams make their GSMU poll debuts this week.
